

GHI Yachts www.ghiyachts.com

GHI logo was inspired by the philosophy of Korean flag, especially in “Gam” part which denotes Water, Great ocean . According to the oriental philosophy, GHI pursuits perfect beauty of balance and harmony into safety voyage and expedition. This Embodies the vision of GHI staffs who respect the universe, seek continuous creation and enrichment.
GHI is dedicated to work harmoniously to carry out the nation’s tasks of unifying its people and contributing toward world peace and prosperity.
